COMMUNICATION REGARDING UNINITIALED REFERENCE ON FORM 1449

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicants are in receipt of an Office Action mailed from the U.S. Patent Office on April 29, 2005 but have not received acknowledgement of all of the Form 1449s submitted with the divisional application on September 8, 2003. Applicants respectfully request the Examiner to indicate for the record consideration of the information furnished therein by initializing the document on the enclosed Form 1449 as part of the Information Disclosure Statement. The Examiner is requested to return a copy of the initialized Form 1449 to Applicants.

This request is being made upon the following facts. On September 8, 2003, Applicants mailed an Information Disclosure Statement and various Form 1449s citing references from parent application serial number 09/813,103. The Office received this material as indicated by the U.S. Patent Office date stamp on the return postcard attached in Appendix A to this paper. Inasmuch as the Information Disclosure

Statement was filed prior to the mailing date of the first Office Action on the merits, the certification made at the time was proper.

While the Examiner has returned most of the initialed Form 1449s with Official Actions mailed December 23, 2004 and April 29, 2005, the reference submitted with one Form 1449 has not been acknowledged.

The absence of the initialed Form 1449 is believed to be an oversight as the Information Disclosure Statement, Form 1449 was submitted in a conforming manner, and the Office acknowledged receipt. Applicants respectfully request the Examiner to indicate consideration of the information furnished therein for the record by initializing the Ericsson Bluetooth Wireless Headset photo for the record.

A copy of the relevant sheets of the Information Disclosure Statement and Form 1449 are enclosed as Appendix B. Applicants are also submitting the copy of the prior art reference as previously submitted with an Information Disclosure Statement filed on May 8, 1002 in parent application serial number 09/813,103 for the Examiner's convenience and to avoid any confusion. Applicants' representative has checked the USPTO private PAIR system and confirmed this material was received in the Patent Office on May 17, 2002.

It is respectfully requested that the Examiner initialize the Ericsson Bluetooth Wireless Headset photo taken from e-mobilecenter.com web site on the attached Form 1449 and return a copy of the initialed Form 11449 attached to this communication.

The Examiner respectfully is requested to telephone the undersigned, Michael B. Lasky at (952) 253-4106, regarding any issues concerning this communication.

Respectfully submitted,
